

ISO/IEC 17025 accreditation certificate

RAAD VOOR ACCREDITATIE
Dutch Accreditation Council RvA
PO box 2105 NL-3500 GT Utrecht

The Dutch Accreditation Council RvA, by law appointed as the national accreditation body for The Netherlands, hereby declares that accreditation has been granted to:

**Sebert Trillingstechniek B.V.
Laboratory
Bergschenhoek**

The organisation has demonstrated to be able to generate technical valid results in a competent way and work according to a management system.

This accreditation is based on an assessment against the requirements as laid down in ISO/IEC 17025:2005.

The accreditation covers the activities as specified in the authorized annex bearing the registration number.

The accreditation is valid provided that the organisation continues to meet the requirements.

The accreditation with registration number:

L 540

is granted on 23 February 2017

This declaration is valid until
1 March 2021

The accreditation has been granted for the first time on
29 February 2012

The Chief Executive

Ir. J.C. van der Poel

The Dutch Accreditation Council (RvA) is a signatory of the European co-operation for Accreditation (EA) Multilateral Agreement for accreditation in this field.

ILAC stands for International Laboratory Accreditation Cooperation. The European Union (EU) has entered into mutual recognition agreements (MRAs) with various countries. This means that the countries have to accept each other's products. The technical aspect of the ISO/IEC 17025 standard relates to the use of qualified and experienced staff. All test equipment in our Sebert Trillingstechniek laboratory has been calibrated and checked in accordance with the ISO/IEC 17025 standard. This ensures that the tests, obtained in an independent, professional and objective manner, are extremely reliable
